IMPACT Dance Company, housed out of M.A. Dance Project under the direction of Marianne Hakanson, is a local non-profit youth company for ages 7-18. Dancers have the opportunity to perform at local festivals, travel to different cities to take classes from the best choreographers known and participate in competitions. The goal of IMPACT Dance Company is to share the diverse talent and arts to the local community with performances. IMPACT Dance Company helps establish dancers to begin to use their team work skills, creative thinking and appreciation for the art itself. IMPACT Dance Company also nourishes dancers and helps build self confidence skills, as well as leadership skills. Some of this and past years performances include: Austin Trail of Lights, Cedar Park Heritage Festival, H-E-B Home for the Holidays, Local Church Festivals and Local Shopping Center Grand Openings; just to name a few. We end the year with our quite anticipated Showcase. This year's showcase, "Carnival of Illusions" was held at the Scottish Rite Theater on May 2nd, 2009. We are unable to fully fund our Showcase without local business sponsors and fundraising. To become a sponsor please fill out form below.

On behalf of IMPACT Dance Company we thank you for your support.

Sincerely,

Marianne Hakanson
